Acknowledgment to Reviewers

We are proud to announce that we have published our 7th issue. We would like to take this opportunity to acknowledge the contributions devoted by the reviewers to improve the manuscripts submitted to *Trends in Immunotherapy* in year 2018. The current and last pdf of accepted papers has appeared in the page of the archive. <http://systems.enpress-publisher.com/index.php/ti/issue/archive>

Although there are some web-troubles in 2018, it is our great pleasure to thank the Editorial Board and external reviewers who reviewed papers in this year:
